

# SPORT HORSE PROFESSIONALS

The Sport Horse Committee of the American Saddlebred Registry (ASR), in conjunction with the ASHA's Charter Club Council, is proud to announce an initiative to identify professionals in the equestrian industry who are interested in being identified and available for assistance in evaluating American Saddlebreds and Half American Saddlebreds for the Sport Horse disciplines; marketing those individuals to the Sport Horse community; training those individuals for those disciplines; instructing and coaching riders and drivers for those disciplines with American Saddlebreds. If you would like to be listed in print and in web-based reference materials for the ASR, please provide the following information. We appreciate your willingness to participate in this initiative and believe it will prove mutually beneficial.
