2017 American Saddlebred Registry Sweepstakes Rules

OBJECTIVES

The Sweepstakes are designed to perpetuate the breeding, training and showing of the American Saddlebred horse. They are a great benefit in promoting the breed and bringing new people into the industry.

Breeders particularly benefit from these classes as nominated horses eligible to compete for large purses demand higher prices; even though a horse is sold prior to a Sweepstakes class, the nominator will receive half the purse. The nominator is the owner of record at the time each nomination payment is made.

ELIGIBILITY

Two-Year-Old Sweepstakes: Open to American Saddlebred yearlings that have been assigned a registration number, a name claimed and DNA testing results completed with the American Saddlebred Registry before the nomination closing date of June 1 of the horse's yearling year.

Three-Year-Old Sweepstakes: Open to American Saddlebred yearlings that have been assigned a registration number, a name claimed and DNA testing results completed with the American Saddlebred Registry (or application received in the ASR office) before the nomination closing date of March 1 of the horse's yearling year.

Four-Year-Old Sweepstakes: Open to American Saddlebred three-year-olds that have been assigned a registration number, a name claimed and DNA testing results completed with the American Saddlebred Registry before the nomination closing date of March 1 of the horse's three-year-old year.

ASHA membership is required for participation in the American Saddlebred Registry Sweepstakes Program.

MANAGEMENT

The American Saddlebred Sweepstakes is managed by a Committee representing owners, breeders, professional horsemen, under the supervision of the American Saddlebred Registry. The Chairman of the Committee is selected by the President of the American Saddlebred Registry.

All fees collected are invested by the American Saddlebred Registry. The value of the prize fund each year shall be the total amount of money paid in fees, miscellaneous funds, added donations, and interest, less administrative costs.

The site for each competition is selected by the Committee, taking into consideration the facilities offered and the promotional value of a specific location. The classes are held at a show recognized by U.S. Equestrian Federation and conducted under its rules.

The Committee reserves the right to review the judges selected by the participating horse show.
